

## Reports for July, August and September 2018

### Winkler County Senior Center report;

The last three months we did all the regular stuff, we went shopping on the first Tuesday and as always we have a good turn out and a good time. The second Monday is Jamboree, it's been up and down, but we still have a crowd, good food and good music.

In August we went to Monahans to the farmers market, five seniors when. We got lots of things and the van smelt of canalope on the way home.

Almost every day we have a group playing cards some days we have enough to fill two tables. We started a new game June we play two times a month called Pokeno (Bingo with a deck of cards) they love this, we have up to 15 people show for this game. We serve a home cooked meal every Friday. Exercise by video and the Zaaz machine and we have four to five people doing this a day.

Winkler County Director of the Senior Center  
Robin Hawkins
